Term of the Agreement

The agreement includes a one-year base ordering period, with four (one-year) option periods, for a total period of performance of five years.

The estimated volume of purchases through this blanket purchase agreement (BPA) is $69.14 million. Work will be performed world-wide and is expected to be completed March 28, 2020.

If all options are exercised, the ordering period will extend through April 2, 2024.
